### HON. ANDREW S. CLYDE

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Mr. CLYDE. Madam Speaker, I was not present in the House Chamber for Roll Call Vote no. 13. Had I been present, I would have voted NAY on Roll Call No. 13.

## HONORING COUNCILMEMBER WENDY SKILLMAN

### HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 19, 2021*

Mr. THOMPSON of California. Madam Speaker, I rise today to honor Cotati City Councilmember Wendy Skillman on the occasion of her retirement after more than eight years of dedicated service to our community.

Councilmember Skillman's record as a public servant traces back to 2008, when she first moved to Cotati. As a member of the city's Community and Environment Commission, she organized beloved events including the annual Christmas tree lighting and the ever-popular Pasta Feed and Bingo Night. After more than three years as the Commission's Secretary and later Vice Chair, she assumed the role of Cotati Planning Commissioner, where she developed strategies in cooperation with local businesses and homeowners to grow the city's economy while protecting its small-town charm. Those she worked with appreciated her ability to find common ground and advance solutions that served everyone's interests.

Following her initial foray into city politics, Councilmember Skillman ran a successful campaign for City Council in 2012. Focusing on affordable housing and championing local small businesses, she generated wide-spread community support that carried her to a resounding reelection victory four years later. Throughout her terms, she has prioritized cooperation and compromise, leading to many successes. Under her watch, the city emerged from its financial troubles, not only keeping public services operational, but expanding the Police Department, adding new Public Works employees, and kick-starting recreation programs. Well respected by her fellow Council Members, she served with distinction as the Vice Mayor of Cotati in 2014 and 2019 and as Mayor in 2015 and 2020. Her leadership, dedication, and tenacity will surely be missed by her colleagues and constituents.

Madam Speaker, Councilmember Wendy Skillman exemplifies the very best qualities that our community looks to in a leader. It is therefore fitting and proper that we honor her here today.

## CALLING FOR THE ABOLITION OF THE FEDERAL DEATH PENALTY

### HON. HALEY M. STEVENS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 19, 2021*

Ms. STEVENS. Madam Speaker, I rise today to condemn the use of capital punishment in the United States and to call for its abolition.

Capital punishment is an unjust and inhumane practice. It is past time we join developed democracies throughout the world and abolish this barbaric practice.

The death penalty in the United States is deeply unfair and inequitable. It is a sentence disproportionately given to people of color, individuals with mental illness and the economically disadvantaged. Black people make up less than 13 percent of the nation's population while accounting for more than 42 percent of those on death row. And despite the Supreme Court ruling that intellectual disability lessens moral culpability, an estimated five to ten percent of all death row inmates suffer from a severe mental illness. The death penalty is also overwhelmingly imposed on poor people, with 95 percent of death row defendants from underprivileged backgrounds.

The methods of execution used in the United States are unquestionably inhumane. States still allow people to be put to death by hanging, firing squad, electrocution and gas chamber. Although the recent adoption of lethal injection is purportedly more humane, recent botched executions have resulted in agonizing and prolonged deaths for individuals—undeniably a cruel and unusual punishment.

As long as the death penalty exists, innocent individuals will be convicted and sentenced to death. Since 1973, 172 former

death-row prisoners have been exonerated of all charges related to the wrongful convictions that had put them on death row. We cannot continue to employ a system of punishment that has such a high risk of taking innocent life.

The United States stands out among our allies and other democracies in its use of the death penalty. Many of our allies consider it a gross violation of human rights. Defending human rights abuses abroad has been a key pillar of U.S. foreign policy, but the continued use of the death penalty at home undermines our global standing and enables other countries to criticize other diplomatic efforts.

Under the Trump Administration's Department of Justice, executions of federal death-row prisoners have recently resumed for the first time since 2003. In the midst of our current public health crisis, the Department of Justice has executed more people in six months than the total number executed over the previous six decades.

Most Americans know that the death penalty does not represent justice in our country. It is cruel, inhumane, arbitrary and clearly discriminatory. It is time for us to finally abolish the death penalty.

### CONDEMNING THE JANUARY 6TH ATTACK ON THE CAPITOL

**HON. TIM RYAN**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 19, 2021*

Mr. RYAN. Madam Speaker, I rise today in outrage and sadness at the insurrection and attempted coup we saw in this very building on January 6. There is no doubt this attack was instigated by President Trump and responsibility for the violence rests with him and his supporters who ransacked the People's House.

I'd like to include in the RECORD the following statement from my constituents, the Youngstown Warren Black Caucus write:

The Youngstown Warren Black Caucus is outraged by the act of domestic terrorists at our nations' Capitol Building yesterday. Although we are angry and saddened, we agree with our 44th President Barack Obama's statement that it was not a total surprise.

Donald Trump and many Republican members of Congress who attempted to disenfranchise the votes of 81 million citizens have been encouraging insurrection by their voters. Even after multiple recounts, legal defeats, and explanation of the constitution and how elections are run, Trump continued to spout lies about the election that he lost. He and his personal attorney Rudy Giuliani have been telling their supporters for 2 months that the election was fraudulent and that there was a chance they could change the outcome if people just complained, protested, and demanded they won knowing full well the outcome could not be changed. While the majority of the nation understood that was untrue, their most loyal supporters believed them. For his final act of defiance to democracy, Trump invited thousands of supporters to DC yesterday for a rally and march to the Capitol building to "stop the steal" before Congress would certify the Electoral College votes that have already been certified by every state in the nation. Sadly, they listened to the instructions of these liars and our nations' Capitol building

was breached for the first time since the War of 1812.

Besides the obvious need to punish anyone who broke the law, we believe those who incited this insurrection must be held accountable for the betrayal to our nation. That includes Trump and members of Congress who attempted to throw out the results of the presidential election and Insurrection is a criminal act which is why we join the NAACP, Urban League, and National Action Network in calling for the resignation or removal of Donald Trump. He is anything but a patriot.

Last, but certainly not least, our members are appalled by the continued disparate treatment by law enforcement between white and black Americans. Back in June of 2020 a peaceful protest by Black Lives Matter demonstrators outside the White House was charged by numerous law enforcement entities to clear a block so that Trump could walk across the street and hold a Bible upside down outside a neighborhood church. Conversely, the angry mob of thousands of rioters were met with little resistance. Some Capitol police held the doors open for the rioters, others took pictures with them as they headed towards Congressional Chambers and offices to vandalize, steal, and destroy federal property.

The event made it painfully clear that there are 2 justice systems in America. One for black and brown people and their white allies, and a separate one for domestic terrorists who embrace white supremacy. It is ridiculous that we are still having this conversation 245 years after the founding of this nation. America must live up to her promise of "and justice for all."

I thank the Capitol Police and other law enforcement personnel for their work to protect Members and all who work in the Capitol Complex. However, it is obvious that there were systematic breakdowns in security that need to be addressed. We must get to the bottom of these breakdowns and prevent them from ever happening again.

### HONORING KRISTINE SVINICKI

**HON. MICHAEL K. SIMPSON**

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 19, 2021*

Mr. SIMPSON. Madam Speaker, it is with great pride and enthusiasm that I take a few moments to recognize the tremendous career of public service of Ms. Kristine Svinicki, who recently announced that she will step down later this month as Chair of the Nuclear Regulatory Commission.

As the Representative of Idaho's Second Congressional District and Chair and Ranking Member of the House Energy and Water Appropriations subcommittee, I have spent my career advocating for the expanded use of safe and reliable nuclear energy. In that effort, I had the distinct pleasure to work closely with Kristine in a number of capacities, and like everyone else who has worked with her, I found her to be a consummate professional and dedicated public servant.

After graduating from the University of Michigan with a degree in nuclear engineering, Kristine's career led her to the Department of Energy's Office of Nuclear Energy and the Office of Civilian Radioactive Waste Management. Her time with DOE also included a stop at the Department's Idaho Operation Office in

Idaho Falls. Kristine was later detailed by the DOE to the U.S. Senate where she supported Idaho Senator Latty Craig on a variety of energy issues. After a stint with the Senate Armed Services Committee, in 2007 President George W. Bush nominated Kristine to serve as a Commissioner on the Nuclear Regulatory Commission and in 2017, President Donald J. Trump designated her as Chairman.

During her three terms at the NRC, Kristine brought unparalleled knowledge, passion and leadership to her work. Kristine never came to a meeting unprepared, and I always left hearings and meetings with her impressed by her insights and persuasiveness.

As the nuclear industry has faced challenges, the federal government has worked to support the current fleet of reactors as appropriate, to modernize the regulatory process to allow advanced reactor technologies to enter the market and to right-size the staff at the NRC. In all of those issues, Commissioner and Chairman Svinicki brought a steady hand and a constructive "let's get to work" attitude to the process.

Chairman Svinicki's commitment to public service has been exceptional and she is a role model for those who want to serve our government and make an impact in a positive way. Kristine blazed her own trail, and she will leave behind scores of friends, colleagues and coworkers who will miss her intellect, her commitment to public service and her wry sense of humor.

While Kristine was born and raised in Michigan, we in Idaho like to claim her as one of our own. I am so proud of all Kristine has accomplished, and more importantly how she did it. On behalf of so many grateful Americans, I want to say thank you to Kristine for her service and extend my best wishes in the future.

### OPPOSITION TO H. RES. 21

**HON. PAUL A. GOSAR**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 19, 2021*

Mr. GOSAR. Madam Speaker, I rise today in opposition to H. Res. 21 and its invocation for Vice President MIKE PENCE to activate Section 4 of the 25th Amendment.

The Resolution appears to be ill-conceived, vindictive and disassociated from any factual basis. There is no medical, scientific or other evidence that the President is operating under an infirmity that prevents the faithful execution of our laws. Indeed, no one even so much as asked for such evidence. No independent medical exam was sought. No interviews of cabinet members or testimony was proffered where one or more cabinet members could have presumably attested to some medical or physical infirmity warranting immediate intervention.

While it is true the President has his detractors, almost all of whom support this ill-advised resolution, attacking one's political opponents by invoking the most dramatic and emergency based provisions in the Constitution is reckless and poses serious harm to the Republic. Unfortunately, as it has been brought to the floor, the political bar has been lowered. I voted no as there is no merit to it and it is plainly a vengeful attack at the outgoing President who has been vilified by leftist

media and others. I remain concerned that this provision will be brought up against the next president, and the next, and the next, for mere political opportunism.

Indeed, in light of the incoming president's age and existing infirmities, I fear a movement to remove him without just cause using this provision. I am told that Mr. Biden won the presidency in the greatest popular vote on record in the history of the United States. To me that means the American people knew what they were voting on, embraced him as their choice, and that choice should not be easily disturbed, if ever. More concisely, the American people were well aware of Mr. Biden's age and health issues and that cannot be used as a pretext to remove him before the natural expiration of his term. This historic victory, greater than the then-historic victory of Obama, cannot be tarnished by congressional machinations to remove the next president. I will not countenance such villainy, nor will the Republic.

Invocation of the 25th Amendment should be used in the rarest and most exceptional circumstances. That does not exist relative to President Trump, and none was even whispered. And it does not, and will not, exist for President Biden. I go on record now to register my objection to such loose talk, including the formation of a commission to "investigate" the 25th Amendment. This is dangerous. It is breezy talk, a bit too comfortable about removing elected officials to replace them. That is the sole prerogative of the people every four years.

Section 4 of the 25th Amendment addresses an incapacitated President unable to make the decision to relinquish their duties. As the current president is not incapacitated, the current effort falls far short. Laughingly short. Improbably short. Ridiculously short.

I restate my call for civility. I call for unity. I ask the leftists here, the socialists who want to deconstruct this great Nation, to stop the nonsense and join with me in building our country, not tearing it down. I condemn the violence we saw all over the United States from May to the present, from Portland to Washington, D.C., led by domestic terrorist organizations like Black Lives Matter and the profascist, protocommunist Antifa. I call out the rioters at the Capitol last week and condemn their violation of our House proceedings, indeed directly stopping me from conducting House business. My request for a remand for the state legislature to double check electoral integrity lost cosponsors and lost immediacy because of the violence that day. I thank the overwhelmed Capitol Police.

Unlike some of my colleagues, I note my long-term support for our police. It is not a fashion for me, as it is others, who condemn police and seek to defund it on one day, and then after feeling scared and vulnerable, call for more police. I remain consistent in my support for ethical law enforcement. I wish they had back up that day and were able to arrest and stop any incursion. The leftists in this body have brow beaten our law enforcement to such a degree the rules of engagement are not known to even themselves. All law enforcement knows is one mistake and they are cancelled. It does not have to be that way. It should not be that way.

For these reasons, Madam Speaker, I stand in opposition of the resolution and the invocation of the 25th Amendment and I voted No.

Now, more than ever, God bless these United States.

#### HONORING THE RETIREMENT AND LIFE'S WORK OF HARLEY FRANKEL

#### HON. DEBRA A. HAALAND

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 19, 2021*

Ms. HAALAND. Madam Speaker, I rise today with my colleague, Congressman TED LIEU, to honor his constituent and life-long education champion, Harley Frankel. We join his friends and family in celebrating his retirement from College Match, Harley's non-profit that assists low-income students with applying to and excelling in college.

After a career in public service, Harley founded College Match in 2003 after witnessing the steep hurdles his son faced while applying to college. As a first-generation college student himself, Harley realized that the grueling and time-consuming application process presented far more consequential barriers to students in overcrowded schools who often lack built-in support, financial safety nets, and adequate college guidance. Following this realization, College Match was born, accommodating 40 students in just its first year. The program has ballooned to nearly 600 students accepted annually, each receiving one-on-one guidance from trained college counselors, SAT prep, tutoring, assistance with college applications and essays, and college campus visits. In the past 6 years, 95 percent of College Match's students have been admitted to a U.S. News and World Report Top 50 college or university, and 70 percent were admitted to a Top 25 school.

Harley's students have deemed him their "fairy godfather"—a reliably approachable, friendly, and caring figure determined to help put them on the college path they deserve but would otherwise be out of reach. Harley's powerful impact on students across Los Angeles makes me think of my own academic career and the tremendous challenges I faced completing my undergraduate, and later my law degree as a single mother. No one ever told me to go to college, let alone guided me through the intimidating college application process. The education I received changed my life and put me on the path to serving in Congress. Every student determined to succeed should have that opportunity, regardless of their background or financial limitations, and Harley's work has helped to make that happen.

A born change maker, Harley's tangible impact on his students will last lifetimes. Even more profound is his organization's direct challenging of the unfair obstacles that prevent some of our country's brightest minds from reaching their full potential. It is an honor to witness the monumental work College Match is leading. Congressman LIEU and I thank Harley for his life's commitment to uplifting our future leaders.

HONORING COUNCILMEMBER JOHN DELL'OSSO

#### HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 19, 2021*

Mr. THOMPSON of California. Madam Speaker, I rise today to honor Cotati City Councilmember John Dell'Osso for his three terms of distinguished service. Our community is deeply grateful for his leadership and advocacy and congratulates him on a well-deserved retirement.

A resident of Cotati since 1986, Councilmember Dell'Osso has established himself as a pillar of our community. A National Park Ranger by profession, he worked at Point Reyes National Seashore for more than 35 years, serving as Chief of Interpretation and Resource Education and later as Public Information Officer until his retirement in 2019. In recognition of his exemplary efforts in this capacity, he was awarded the U.S. Department of the Interior's National Partners in Conservation Award in 2009 and the National Achieving Relevance Award in 2016.

Throughout his tenure in city government, Councilmember Dell'Osso has shown himself to be a leader among leaders. In addition to serving three terms as Cotati's Mayor, he sat as Chair of the Sonoma County Mayors and Councilmembers Association in 2014, offering sage advice and wisdom to public leaders from across our community. A steadfast supporter of parks and open spaces, and an avid bird watcher, Councilmember Dell'Osso distinguished himself as an ally to conservationists in the city and beyond. As a strong advocate for public service, he has no doubt inspired many others to follow in his footsteps and fight for environmental stewardship, safer neighborhoods, and a stronger economy.

Aside from his professional and political life, he has also devoted himself to philanthropic causes. Councilmember Dell'Osso has given his time to numerous social benefit organizations, including stints as a board member of both the Rancho Cotate High School Graduation Project and Friends of the San Pablo Bay National Wildlife Refuge. These pursuits further evidence his selfless dedication to our community.

Madam Speaker, the City of Cotati is indebted to Councilmember John Dell'Osso for his years of diligent public service. It is therefore fitting and proper that we honor him here today.

#### IMPEACHING DONALD TRUMP, PRESIDENT OF THE UNITED STATES, FOR HIGH CRIMES AND MISDEMEANORS

SPEECH OF

#### HON. ANGIE CRAIG

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 13, 2021*

Ms. CRAIG. Madam Speaker, last week, the United States Capitol was attacked and defiled by insurrectionists. These criminals killed a Capitol Police officer and wounded many more in a brazen attack not only on this building, but on American Democracy itself.

I am sad, shocked and angry about last Wednesday's events, but I am determined to ensure that those responsible are held to account, including the President of the United States.

The President invited this mob to Washington. He fueled their rage with false information and lies. And then he directed them to the U.S. Capitol himself—where they desecrated the home of our democracy and put elected leaders and law enforcement in danger. None of this would have happened without the words and deeds of Donald Trump. None of it.

He threatened our democracy, interfered with the transition of power, and imperiled a coequal branch of government. There simply must be consequences for his indefensible behavior.

Some of my colleagues are now calling for unity. I agree. We must unify around the truth. That America just completed one of the most secure elections in our nation's history—an election that Joe Biden won. The lies stoking the flames of insurrection must stop. And those perpetuating them must be held accountable.

I am committed to holding those who stormed this building accountable for their actions. I am committed to defending our democracy. And I am committed to upholding the oath to the Constitution that I took just over a week ago.

The President should not serve another day in office. And for that reason, I will vote in favor of the article of impeachment before me today, for my district and for this Nation's history. We must never find ourselves here again.
